

Major Saver Fundraiser

The Park Hill Education Foundation's annual Major Saver fundraiser is coming from January 7-17, 2008. The Major Saver discount cards feature northland area businesses and restaurants. Cardholders present their card when eating at the restaurant and once the card is used, the card is punched.

The money that we raise is used to fund student scholarships and teacher/classroom grants. Graden students are benefiting from two of those grants this school year. The "Destination Diversity" club for 3rd – 5th graders gives the club members an opportunity to learn about other cultures. The "Calling All Hornets" grant is being used to fund the Kindergarten Transition activities that Graden puts on in the spring to welcome "future hornets" that will be 5 years old by August 1, 2008 and are preparing to start kindergarten.

If we average selling one Major Saver card per student, we will reach our goal to earn an extra \$500.00 bonus. We plan to use the bonus to purchase an extra computer for our J-Club to use as a teleprompter for their live morning announcement broadcasts.

Plan to support the Park Hill Education Foundation and Graden by purchasing a Major Saver card!
